HEARTS APART

When your deployed military member is at a site that has incoming DSN capability

(You must be able to call them)

Three calls per week at 20 minutes per call. Calls are placed through the base operator. That DSN number is given to you by the deployed member. Calls are from Sunday to Sunday.

Base Operator 24 hour operation
(DSN 731) 987-1110

Command Post Holiday's only (DSN 731) 987-3524

If a connection is not made, call the Operator or Command Post back immediately and tell them the call did not go thru so that it is not counted as one of your calls.

When the deployed member is not able to receive calls. The deployed member will call you and let you know the rules of the host country. Most locations are offering two calls per week at 15 minutes per call from the deployed
